

PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA

Sub:-Implementation of Core Road Network (CRN) in Karnataka.

- Road:-1. Government Order No.PWD 219 EAP 2007 dated 29-03-2008.
2. Government Order No.PWD 120 EAP 2011 dated 28-11-2011.
3. Project Director, KSHIP letter No.PIU:KSHIP:CRN:2013-14:
1506 dated 03-08-2013.

Preamble:

After successful completion of KSHIP-I projects covering 2385 km, the Government has taken up improvement of 3411 km of State Highways under KSHIP-II projects vide G. O. No.PWD 61 EAP 2006 dated 25-11-2006.

Approval is accorded to take up upgradation of 863 km of State Highways at project cost of Rs.2038 crore (447.93 million US Dollars) with Asian Development Bank (ADB) assistance of 300 millions US Dollars vide G.O. read at (1). Further, approval was accorded to the revised cost of 2150.40 crore (462.75 million US Dollars) with ADB assistance of 315 million US Dollars vide G.O. read at (2) for upgradation of 616 km of State Highways.

The ADB agreement stipulates to identify a core network of roads that can be taken up for improvement/upgradation through its assistance and has sponsored Technical Assistance for Karnataka State Highways Improvement Strategy through Project ADB TA 7324-IND. The major objectives of the project were to update the Core Road Network (CRN) to support the socio-economic growth of Karnataka, strengthen the institutional focus of PWD on road maintenance; and to assist with Institutional Strengthening.

The CRN needs to be constituted to meet the economic and social needs of the State keeping in view, the connectivity between population centers, other transport infrastructure, industrial parks and development Corridors, Mining, Tourism and Agricultural sectors ensuring that these roads reflect the actual pattern of utilization of the road network by road users and establish connectivity to major towns and cities and to administrative headquarters.

The Capacity Development Technical Assistance (CTDA) consultant's final report recommended a CRN comprising 24,225.60 km of SH/MDR's for the State based on the agreed connectivity criteria. The report was examined and consequent to formation of State Highway Development Project (SHDP) to take up the development of SH/ MDR's to have better connectivity between District Head Quarters to District Head Quarters and Taluka Head Quarters to District Head Quarters and roads proposed for development by Karnataka Road Development Corporation Limited (KRDCL) under different schemes, some roads are added. To help prioritize investment the CRN roads are classified in to "A Class" Roads comprising 13,113.22 km and "B Class" Roads comprising 12,363.06 km.

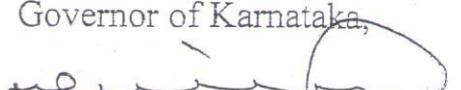

After examining the final report, it is felt necessary to have classification of CRN in order to assist in strategic planning of State Highway network the Government feels now to notify "A Class" CRN Roads to give prioritize investment and to assign uniform standards for development of these roads in order to achieve better connectivity.

Hence the following order;

GOVERNMENT ORDER NO.PWD 74 EAP 2014, BANGALORE DT. 10-07-2014.

The Government is pleased to declare Core Road Network (CRN) comprising 13,113.22 km of NH, SH and MDR's under "A Class" category in order to assist in strategic planning and give prioritize investment and to assign uniform standards for development of these roads as appended in Annexure.

By Order and in the name of the
Governor of Karnataka,

(Vijay B. Chandapur)

10/7/2014
