

On the Occasion of GeoSmart Infrastructure 2023
Geospatial World is proud to acknowledge

**Public Works Department
Government of Karnataka**

for

Excellence in Roads and Highways

The Public Works Department, Government of Karnataka, is recognized for its outstanding achievement in the successful execution of the Karnataka State Highway Improvement Project – Phase III. This transformative initiative has garnered accolades and recognition for its exceptional dedication to enhancing transportation infrastructure across the state. The project's commitment to quality, innovation, and sustainable development has earned it prestigious awards and commendations, underscoring its pivotal role in fostering improved connectivity, economic growth, and a better quality of life for the citizens of Karnataka. The Public Works Department's unwavering dedication, smart use of digital technologies and collaborative approach in executing this project serve as a beacon of excellence in the field of infrastructure development.
